WHAT: ESCORT STATUS

WHEN: JULY 31, 2006

WHERE: SR-138 SAFETY IMPROVEMENT PROJECT

Due to fog and inclement weather the decision to escort through the closed section of State Route 138 (from SR-2 to Beekly) will be made in the field based on weather conditions at the time of escorts.

There will be no escorts on the evening of July 31, from 6:00 p.m. to 8:00 p.m. due to fog.

Motorists are advised that escorts may be canceled without notice if the passage road is unsafe at any time. Caltrans number one concern is safety for the public and the contractor. With the likelihood of rain or heavy fog, Caltrans recommends that the public make arrangements to take an alternate route in lieu of escorts in the event that escorts are canceled at the last minute.

An electronic message board will announce escort cancellations when necessary. We thank the local residents for their patience and understanding.

The regularly scheduled escort hours are as follows:

- ☞ Monday through Friday escorts are from 5-7 am and 6-8 pm
- ☞ Saturday escorts will be 5-7 am and 6-8 pm if the contractor works or 9 am to 5 pm if the contractor does not work.
- ☞ Sunday escorts are 7 am to 3 pm
